

YOUR FREE RIDE IS HERE

The
FREE RIDE™

THE FREE ELECTRIC TRANSPORTATION SOLUTION FOR YOUR LOCAL JOURNEY

WHAT WE DO

We help cities:

- **Connect** Bridge the first/last mile of a visitor's/resident's journey
- **Go Green** Reduce greenhouse gas emissions with smaller, 100% electric cars
- **Create Jobs** Employ local, professional drivers
- **Reduce Congestion** On Demand fleets create flexibility and efficiency

1M+

Total Rides Given

Active in 10 markets
and growing

THE FREE RIDE ADVANTAGE

An easy-to-use, professionally-run, sustainable transit solution with a record of success

- **Free and Easy** End-user pays nothing, can use mobile app or pre-arranged stop
- **Reliable** Advanced analytics ensure demand is always swiftly met
- **Eco-Friendly** 100% electric vehicles yield 98.84% reduction of CO2 Emissions
- **Proven** The Free Ride is in 10+ cities, winning press and awards in every market
- **Local** Tailored routes that connect your city

App creates data and
smarter systems

200K+ gallons of
gas saved

WHERE WE'RE HEADED

Coming to a road near you...

The Free Ride is expanding to new high-density and environmentally-conscious cities in FY 2018. Interested in exploring a partnership with your city? Email info@thefreeride.com
